Available on loan from CIA Library is the microfilm of a Spanish document titled "Communism in Uruguay". Opening with a history of Marxist Communism in Uruguay, it proceeds to report on the current status of the Communist apparatus in Uruguay, discussing, among other items:

- a) The party's militants
- b) Links with labor unions
- c) Lack of success of the Unión Feminina
- d) What purports to be an account of the day-to-day activities of the USSR Legation in Montevideo, including conversations of legation personnel with Uruguayan Communists.
